Telephone Bank

For corporate finances

Please call us on
+46 (0)771-22 11 22.

You can also visit us at swedbank.se/telefonbankenforetag or via your saving bank's website.

Do you want to speak to the bank? Give us a ring – we are open 07-23.

If you have any questions or need a sounding board or advice about corporate finances, then our corporate advisors are ready to help. Call +46 (0)771-22 11 22 and review your requirements as a business owner and private customer.

Advice for you and your company

What are your immediate requirements? We are here for your company and for you as a private individual, whenever you have time – whether it's a minute or an hour – you decide.

Everyday finances

Do you need help with your card or do you want to transfer money? Perhaps you need information about our online services? We are pleased to help you with your everyday finances.

Electronic services online

How much time do you spend on administration, accounting and paperwork? No matter whether you want to reduce the amount of work or are happy with things the way they are – give us a call. You could benefit from taking a look at our online services.

Savings and investments

Do you have excess liquidity that you want better returns from? How you choose to invest capital depends on what you intend to use it for and how long you can do without it. Get in touch for suggestions for investments based on your preferred level of risk and time horizon.

Corporate cards

Whether you want to buy coffees or furniture, a corporate card can help make purchases easier. You can apply to us for cards and order a replacement card if your previous one has been lost.

Pensions and insurance

Our advisors are on hand to review your needs as a business owner, providing you with added security. This may take the form of pensions, life assurance or accident or medical insurance for you and any employees.

Managing your finances

Manage your everyday finances quickly around the clock with our self-service telephone banking solution.

Mobile banking

Check your account balance from your mobile.

Load top-up card

Add funds to a mobile top-up card via our telephone banking service.

Available amount

Check how much money you have available.

Most recent transactions

Keep a check on purchases and other account transactions by viewing your most recent transactions.

Waiting for funds to clear?

Check whether you have any funds waiting to clear.

Transfer money

Transfer money to your own accounts, joint accounts or someone else's account at the bank.

The quick user's guide contains information on additional services and how to access them.
